*Dedication
of the
New
Winnsboro
High School*

It was a rather mild, windy Sunday afternoon on November 29, 1964, when our new Winnsboro High School was formally dedicated. Students, teachers, and the custodians, prior to the week-long Thanksgiving holidays preceding the dedication, had worked hard to have everything "spic and span" in readiness for the visitors who would come to spend the afternoon with us. In the corridors and at various vantage points were tall standard baskets of autumn flowers and luxuriant pot plants, gifts from well-wishers for our "open house." The Student Council members were standing by, ready to guide our guests through the corridors, classrooms, and special departments. Out in the gymnasium, where a capacity crowd was assembling for the ceremonies, the band was playing. The choir members, all dressed up in new green frocks and dark suits, were taking their places down front in preparation for the vocal numbers they would present later on.

The program began with "The Star-Spangled Banner" and Pledge of Allegiance, the invocation by the Reverend Joe Mongle, and the welcome by our principal, Mr. S. W. Williamson. Next, Mr. W. B. Scriber, a member of the building committee and a Ward 7 School Board member, and Mr. M. D. Peel, Superintendent of the Franklin Parish Schools, expressed their appreciation to all who had contributed toward the realization of our grand, new school. We were privileged then to hear a brief address by Mr. William J. Dodd, the State Superintendent of Education, and Representative Lantz Womack, who introduced the featured speaker, the Honorable John J. McKeithan, Governor of the State of Louisiana.

Following the benediction by the Reverend M. D. Felder, the public was invited to inspect the new plant and facilities. During this time the pupils and teachers held "open house" while the home economics department and the lunchroom staff were hosts at a tea in the cafeteria, where refreshments of punch and cookies were served.

So it was that we dedicated our new school--with reverence for the gracious God of our fathers and with appreciation for the American heritage of a public education for "all the children of all the people."

1965

The Year of New Conditions and Old Traditions

With high hopes, a few sighs, and unlimited anticipation, the Wildcats began the 1965 school year in the new building. The new conditions, however, did not end the old traditions of W.H.S. but added new activities and a new spirit for the students to make this the best year yet.

Although a year full of memories and traditions can never be recaptured except by imagination, we have done our best to capture the essence of events, the everyday happenings, and the activities of W.H.S. and package them into a small book.

The Hi-Life Staff of 1965 presents the twenty-third edition of the Hi-Life and hopes that through it you will find great pleasure in reminiscing as the years go by.

Roaring Wildcat fans stuff the gym for the Friday afternoon pep rallies.

Mrs. Tillotson congratulates the newly elected Senior President, Tim Gordy.

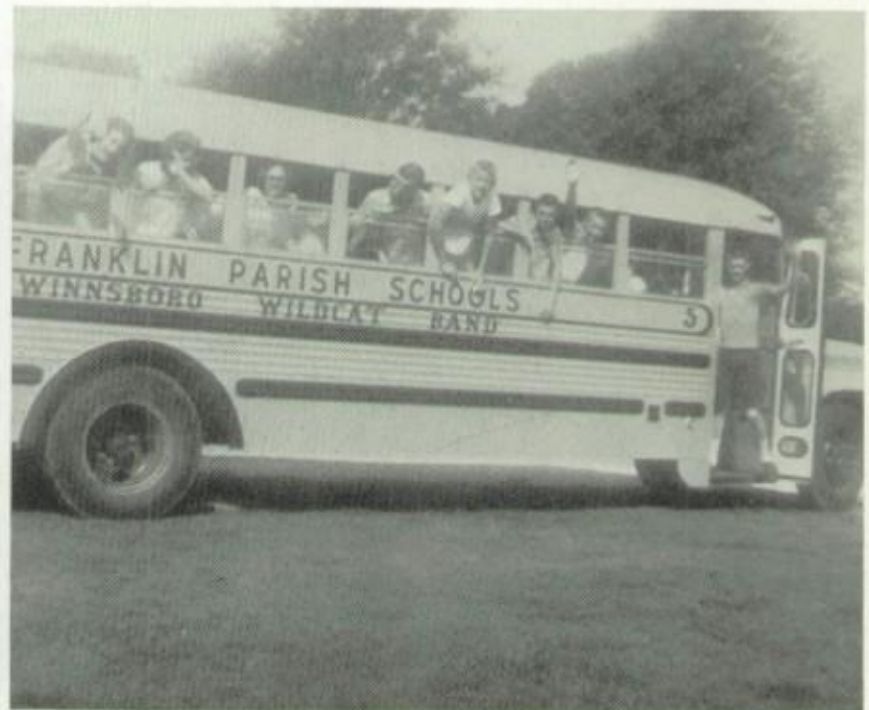

SENIOR EGOS ARRIVE! The rings are exhibited with pomp and pageantry by exalted upperclassmen.

Excitement reigns as the photographer takes the school pictures.

Boys load up for Band Camp.

School Bus provides transportation for Wildcat Band.

Seniors decorated the Christmas tree for the entrance hall.

Sleepy-eyed Juniors fight the Battle-of-the-Closed-Eyelid at a pallet party.

Town and country buses carry students home at the end of a busy day.

Getting up homework in study hall.

Playing basketball during P.E. classes.

The seniors hanging mistletoe from every light fixture and making flower arrangements to place in the halls for Christmas.

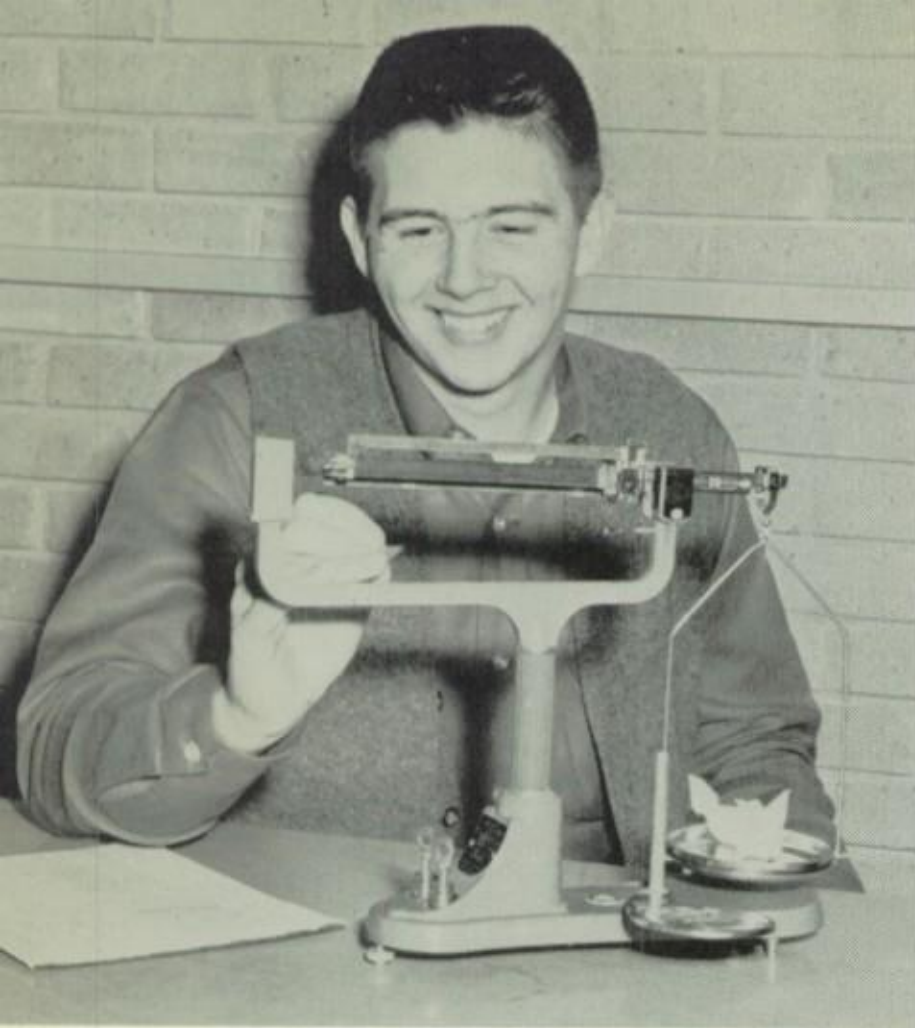

Lunch in the cafeteria.

JOE CORDILL, president of the Science Club, is also a member of the Wildcat Band. In addition to serving his homeroom as Student Council Representative, he is an Eagle Scout and a member of the Order of the Arrow.

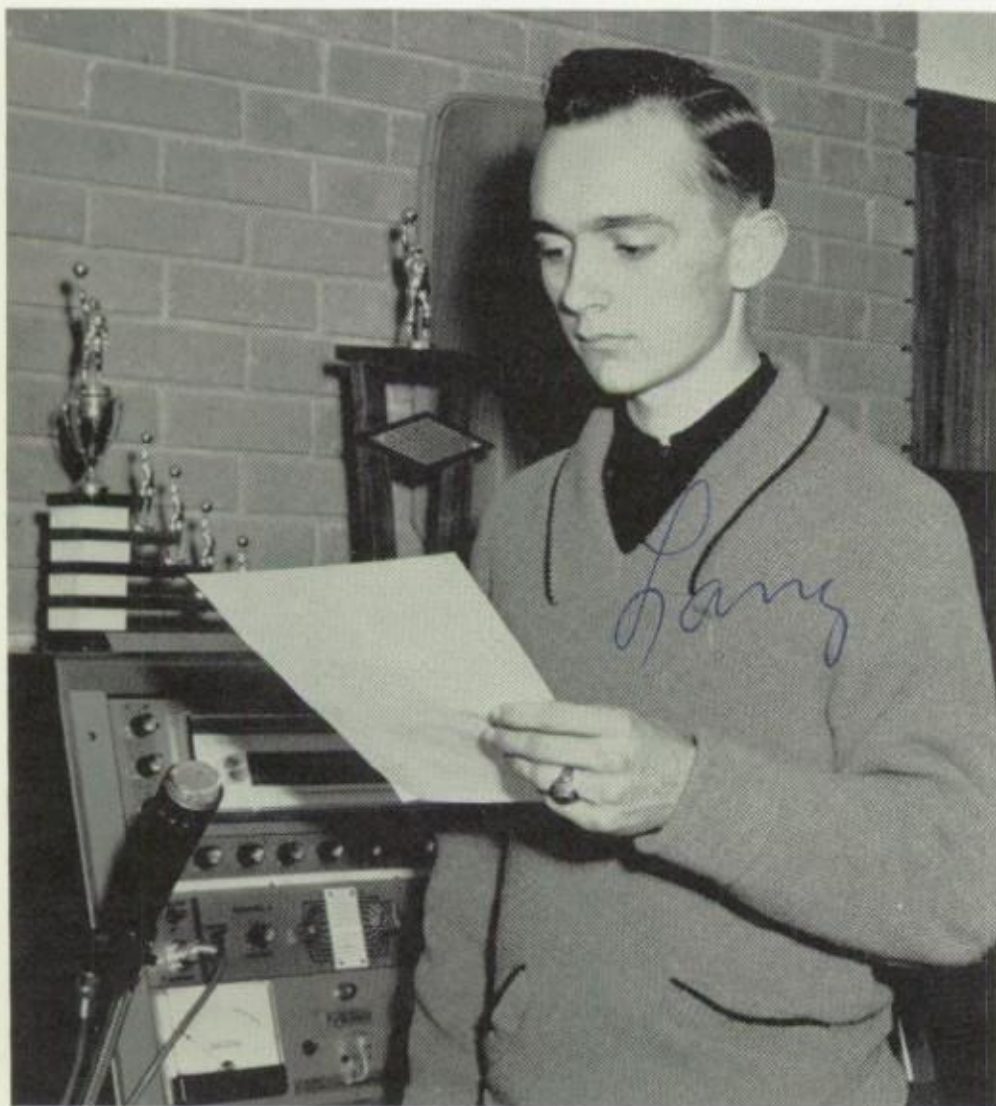

KAREN CUNY, an accomplished pianist, is the accompanist for the W.H.S. Choir and Ensemble. In addition to music, she has many other activities, including the Beta Club, of which she is secretary.

LEROY CUREINGTON, a very active member of the F.F.A., has won many honors, such as first place in the parish and district F.F.A. Public Speaking Contest in 1964. He is now serving as president of the local chapter.

Awards

PATTY RODEN has been very busy this year serving as business manager of the HI-LIFE. She is a member of the Beta Club, the Paper Staff, and the Quill and Scroll, a journalistic honor society. She served as reporter while in F.H.A.

LARRY RUSSELL, the 1964-65 president of the Student Council, is also outstanding in his 4-H Club work, having received a \$500 scholarship in Dairy Achievement this year at the National 4-H Congress.

NELDA ZEAGLER represented W.H.S. this past summer at Pelican Girls' State in Baton Rouge. Among the many school honors that she now holds are Miss W.H.S., Senior Class Favorite, and president of the Pep Squad.

ADMINISTRATION

Our Principal

*Mr. S. W.
Williamson*

Although most people believe that the job of principal ends with the end of the school year, this belief is false. Being a principal is a year-round job. With the close of school in the spring, Mr. S. W. Williamson, our principal, starts to work on the schedules and curriculums. He must manipulate each individual student's schedule so that it will work in satisfactorily with the master schedule that he prepares. Establishing a curriculum and seeking qualified and certified teachers are also part of his duties.

As the school year opens, he is busy scheduling extracurricular events, setting up disciplinary procedures, providing satisfactory public relations between the school and the public, and supervising the personnel, which includes teachers, custodians, and the cafeteria staff. His most significant role during the school year is that of a counselor to students, parents, and the teachers.

Mr. Williamson's activities, however, are not limited to the school. Never a week passes that his calendar is not full of scheduled meetings, which he gives of his time and talents to making this a better community for boys and girls. He participates in many worthy civic and church functions. Some of these include serving as president of the Lions Club, as field worker in the Boy Scout drive, member of the Board of Directors of the Northeast Area Guidance Center, and a member of a state wide committee on School-College Liaison. He is also an active member of the First Methodist Church, where he serves as a Sunday School teacher.

The High-Life Staff would like to thank Mr. Williamson for working so diligently to maintain the high standards that make us proud to say that we attend Winnsboro High School.

Wildcat Marching Band Provides Entertainment at Halftime

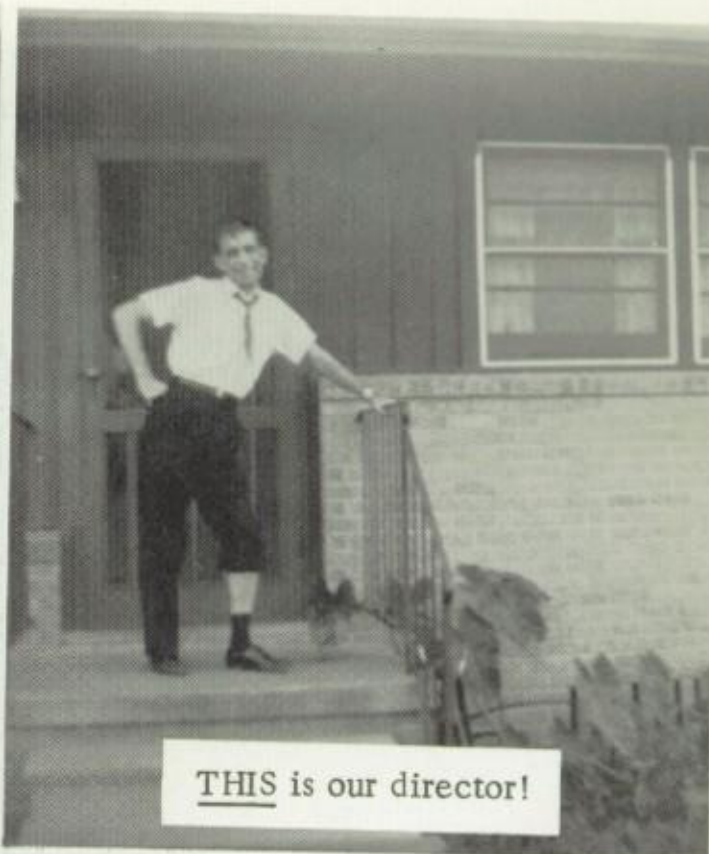

This year the Wildcat Senior Band has reached a new record number in enrollment. The Marching Band is sixty-five strong, and the Concert Band numbers sixty-eight.

Both the students and the director appreciate and enjoy using the new band department, which consists of a large rehearsal room, four practice rooms, music library, recording room, repair room, and office.

The band will continue to give "WHS" an organization in which it can take great pride.

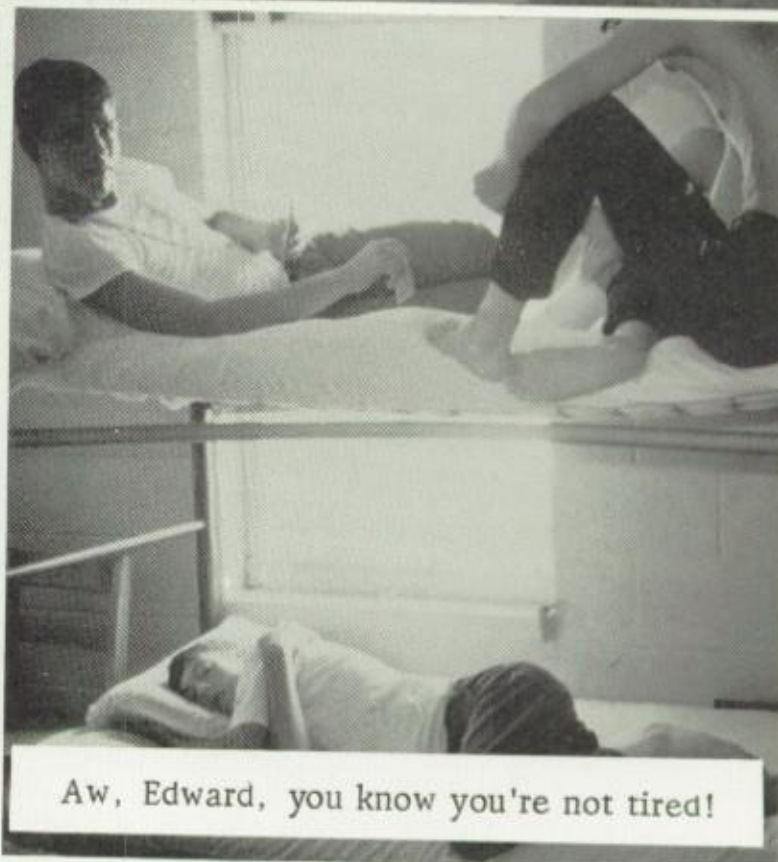

Happy Birthday, dear SENIORS . . .

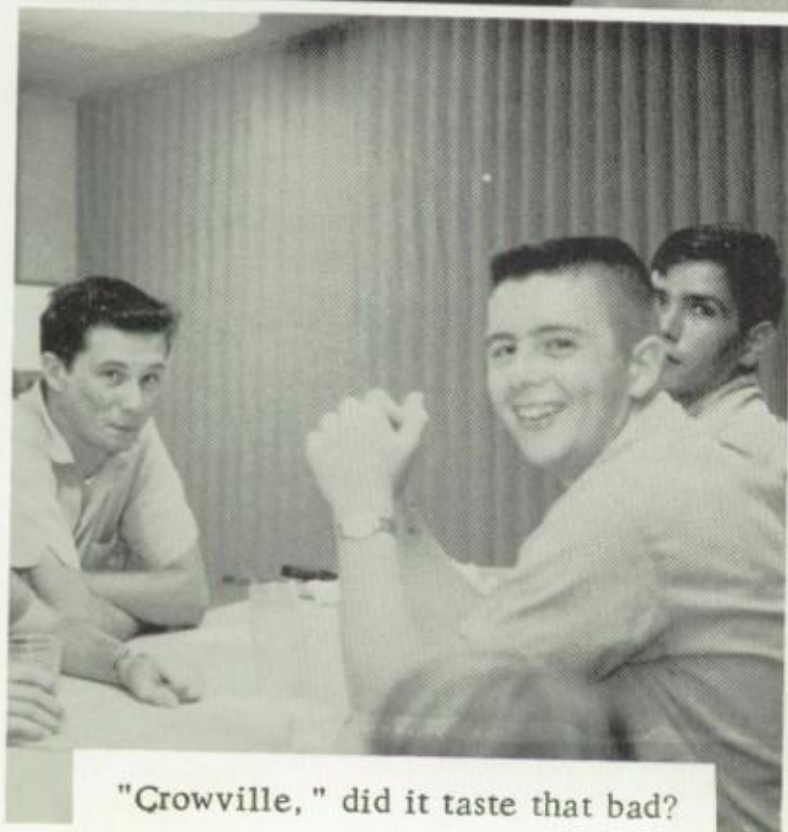

THIS is our director!

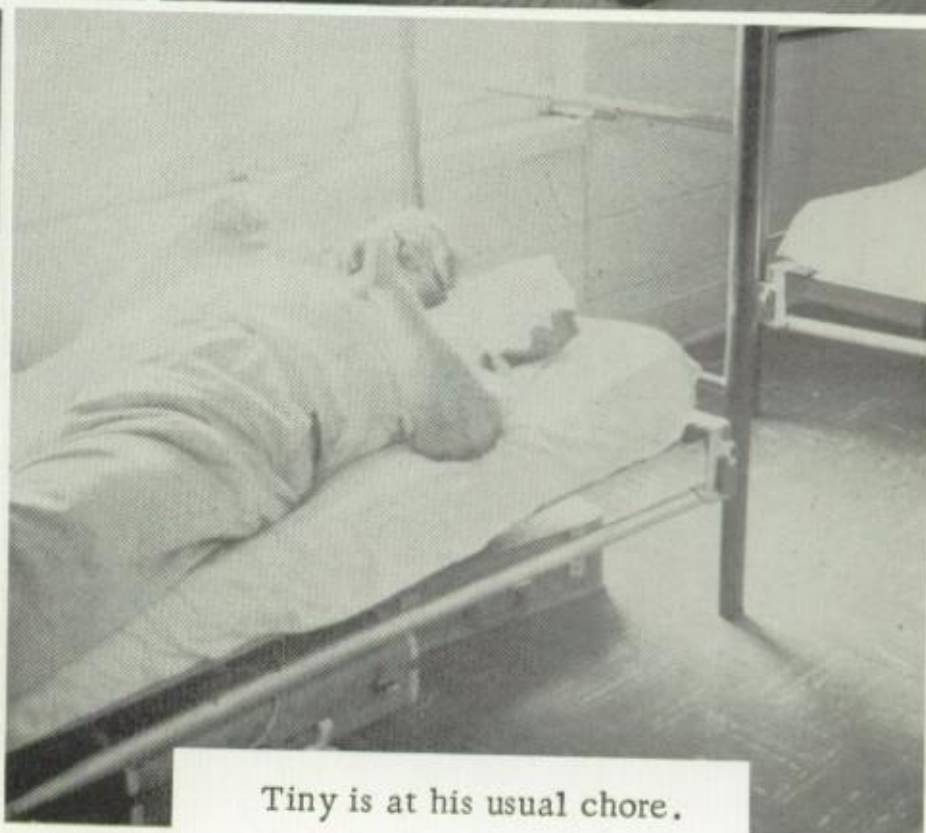

Close your mouth, "Mac."

Aw, Edward, you know you're not tired!

"Growville," did it taste that bad?

Tiny is at his usual chore.

Dear Snuffy!
It has been nice having
you as a friend in the last
few years. Although you are
sweet, you are a little on the
nutty side. I am glad you are
graduating this year, but it won't be
the same with out you being
around to bug me. Well, I have
three more years. I stay as sweet &
know you are glad to get out of
dear old U. A. S. Stay as sweet &
crazy as you are now and you will
always have friends. I wish you the
best of luck in the future.
Love Ya a lot!

Snuffy you are a
great pal, to have
a friend always

Snuffy,

Do you really think we'll make it out? Eight more weeks and we'll know. I've really enjoyed Speech and Math with you this year. I wonder if anyone else hates math like I do. Seriously, I want to wish you the best of luck.

Sr. '65

Snuffy,

I have truly enjoyed going to school with you all these years. I hope we both make it out of school this year. I hate to leave school but I would hate to stay in it. I hope we will be friends after we have left school. May God bless you and keep you.

Love Ya!

Snuf,

I have enjoyed knowing a ~~snuf~~ nut
like you these past years. I think
you are a very good kid with a good
personality. Good luck in every-
thing.
